

ART CAR Green Fairy Award 2018.

The harmonious lines, the contemporary design and the exclusive silhouette of a car inspire the artists selected for the Art Car Fairy Green award, whose protagonist and muse is the splendid and enchanting Seiros, Fata Sirena.

A Range Rover Evoque thanks to an exclusive wrapping turns into a work of art. Among the various graphic projects submitted to the organizers of the Syart 2018, the three finalists are awarded the finalists: Francesco Cuomo, Monk Vince Sangiorgio and Emiliano Terenzi, through singular language, spirit and result.

Francesco Cuomo, artist and ironic poet who, through his journey, summarizes his research with a "living of art creating art to live", proposes a graphic project focused on his first work "One" and on one of his latest creations " Cuccu ", in a blaze of color and energy.

Vince Sangiorgio, translates his artistic imprint - color tiles, lines and games of full and empty, suspensions and balances - in a captivating, immediate and chromatically intense graphic design. His experiments in relief inlay, take on new connotations.

Emiliano Terenzi, multifaceted artist, with experience in the graphic and comics sector, imposes himself with a snappy and emotional impact, in which his personal trait is concentrated and explodes. Scratching and snappy his proposal of wrapping, in synergy with the characteristics of the car model.

Leone Cappiello, president of Syart, comments with pride and gratitude the work presented by the artists, confirming the award for the next and third edition of the event.

Seiros, Fata Sirena, awaits with its singing the participating artists and guests at the Vernissage on April 7th, in the enchanting terrace of Villa Fiorentino, to formalize the winner and present the car made exclusively for Syart by Jaguar Land Rover Autorally.
